

ABOUT US

We believe quality is never an accident, it is always the result of high intention, sincere effort, intelligent direction and skillful execution. we, garslubricants are determined to provide extremely engineered and formulated engine oil, fork oil, gear oil with a quality that our customers appreciate.

In 1990, Gars Lubricants was established with an aim to become a distinct acquaintance in the world of lubricants. After 30 years of hard work, strong customer bonding Gars become one of the fully Automatic Oil and Lubricants Manufacturers in India with a wide range of lubricating products to meets various automotive needs.

Along with a gigantic production unit, Gars Lubricants is dedicated to maintaining its quality and for that, this unit has a team of highly qualified quality maintenance and a control unit that checks and maintained production quality.

With over 30 years of hard work and experience along with high-quality products and healthy customer relationships, now gars stand with

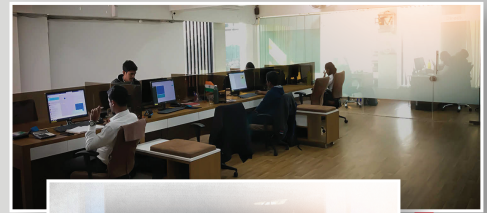

50+

Sales and service members for after-sales support

100+

Sales and service members for after-sales support global presence in most countries

Gars lubricants has not only established great recognition in Indian Market, but Company also broke all barriers and introduced "India-made" lubricants throughout the globe. Our aim to launch extreme engineered products in 50 countries by the end of 2030.

MOTOR ENGINE OIL

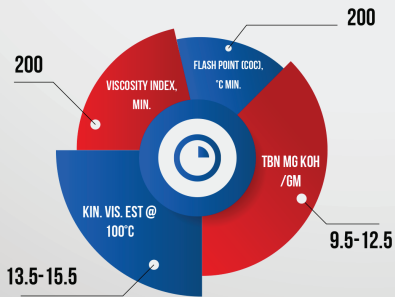

MAGIC

UNI-ADVANCED FORMULA

20W40 MAGIC

➤ Magic 20w40 is advanced passenger motor engine oil that provides exceptional protection to ensuring reliable lubrication even in the most demanding conditions to cars run by petrol or diesel. Specially developed using advanced additives for faster pick-up, sustained acceleration and improved wear protection. Magic 20W40 ensures consistent performance throughout oil life.

➤ Magic Features:

- Prevention of clutch slippage
- Reduced wear of vital engine parts
- Protection of piston and cylinder even at a high temperature

➤ Available in below packing sizes.

3 LTR 3.5 LTR 4 LTR 4.5 LTR 5 LTR 7 LTR 10 LTR 15 LTR 20 LTR 26 LTR 50 LTR 55 LTR 210 LTR

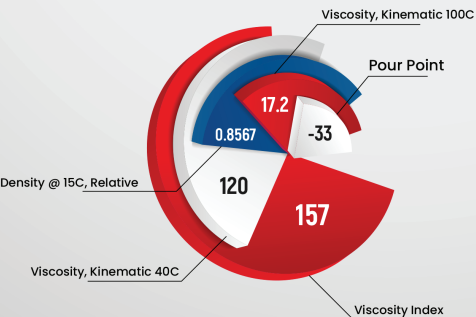

BULLET ENGINE OIL

NEXA

UNI-ADVANCED FORMULA

➤ Nexa bullet engine oil specially designed to give superior power transfer. Maintains uniform viscosity over the entire life span of oil. It is specially formulated with uni advance formula which helps to maintain uniform viscosity over the entire life of the oil. This leads to the consistent performance of the engine even under different operating conditions.

➤ **Nexa Features:**

- Provide consistent performance
- Reduce valve train wear and durability
- Keep the engine as new for a long time
- Quick clutch engagement

➤ Available in below packing sizes.

2.5 LTR 3 LTR 20 LTR 50 LTR 55 LTR 210 LTR

15W/50

HYDRAULIC OIL

QUICK HYDRO

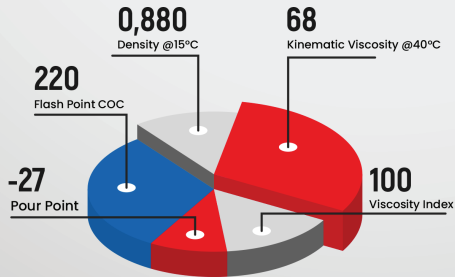

UNI-ADVANCED FORMULA

ISO VG-68

QUICK HYDRO

➤ From synthetic to specialist oils, our hydraulic fluids cover a wide range of industrial uses. GARS hydraulic 68 is an automatic gear oil specially designed for a front-drive vehicle with manual transmission. Quick Hydro 68 is a Versatile product with exceptional anti-wear, anti-oxidant, rust and corrosion protection.

➤ Quick Hydro Features:

- Excellent water separation characteristics.
- Ensures chemical stability for longer equipment life.
- Provides excellent protection at high operating temperatures.

➤ Available in below packing sizes.

1 LTR 5 LTR 10 LTR 20 LTR 26 LTR 50 LTR 55 LTR 210 LTR

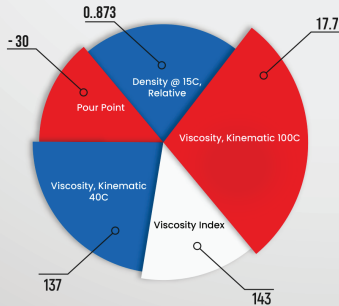

BOLT

UNI-ADVANCED FORMULA

15W40/14C
BOLT

➤ Bolt API CI-4 Plus 15W-40 is a high-performance diesel engine oil that helps extend the engine life of industrial/heavy vehicles and car. This advanced formula has an excellent performance in modern, high-output engines as well as older engines.

➤ **Bolt Features:**

- Increase operational efficiency.
- Reduce maintenance costs.
- keep equipment resale value maximum.
- Extends engine life and performance

➤ Available in below packing sizes.

1 LTR 3 LTR 3.5 LTR 5 LTR 7 LTR 10 LTR 15 LTR 20 LTR 50 LTR 55 LTR 210 LTR

Available grades for

- CI4+
- CI4
- CH-4
- CF-4

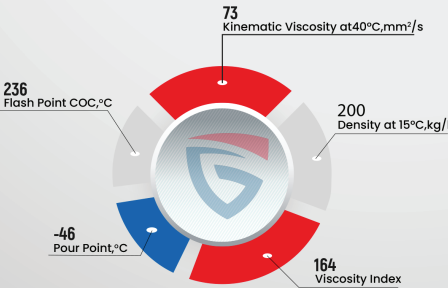

NEXT

UNI-ADVANCED FORMULA

5W30
NEXT

➤ Gars NEXT 5W-30 advanced fully synthetic motor oil is designed to protect the key engine parts of SUVs. Additional anti-sludge additives remove the sludge that may block the engine oilway. It is specifically designed to meet the challenges of SUV engines that run for a long time carrying heavy loads.

➤ **Next Features:**

- Extend SUVs engine life.
- Clean up engine sludge with extra sludge-fighting additive.
- Outstanding performance during the maximum oil change interval.

➤ Available in below packing sizes.

- 1 LTR
- 3 LTR
- 3.5 LTR
- 5 LTR
- 7 LTR
- 7.5 LTR
- 10 LTR
- 15 LTR
- 20 LTR
- 50 LTR
- 55 LTR
- 210 LTR

MAGIC

UNI-ADVANCED FORMULA

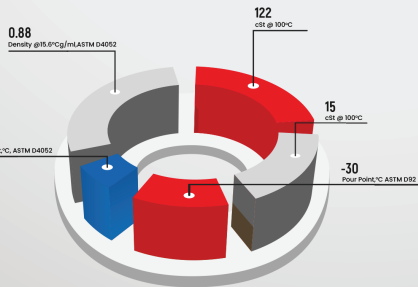

20W40-4T

MAGIC

➤ Magic 20W40 is a high-quality 4-stroke motorcycle engine oil designed to provide exceptional protection to ensuring reliable lubrication even in the most demanding conditions of motorbik. It is specially formulated with UNI-ADVANCE Formula which helps to maintain uniform viscosity over the entire life of the oil.

➤ Magic Features:

- Prevention of clutch slippage
- Reduced wear of vital engine parts
- Protection of piston and cylinder even at higher temperature

➤ Available in below packing sizes.

3 LTR 3.5 LTR 4 LTR 4.5 LTR 5 LTR 7 LTR 10 LTR 15 LTR 20 LTR 26 LTR 50 LTR 55 LTR 210 LTR

GASOLINE

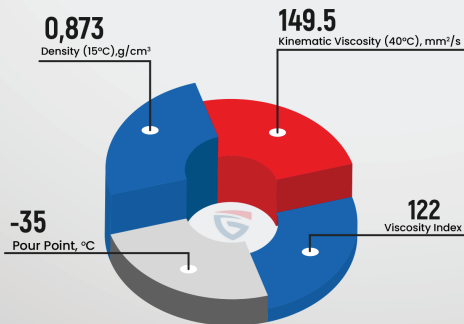

UNI-ADVANCED FORMULA

20W50 SG

GASOLINE

➤ Gasoline Engine Oil 20W50 SG is a premium, high-performance multigrade engine oil formulated from high-quality base oils and combined with advanced performance additives to help provide long engine life and protect critical engine parts. It provides the highest level of protection, whilst promoting fuel efficiency and lower emissions in modern low friction engines.

➤ Gasoline Features:

- allows easier starts at low temperatures
- Excellent power transfer under slipping conditions
- Excellent thermal and oxidation stability
- Premium full mineral low meets SAE's engine oil

➤ Available in below packing sizes.

1 LTR 1200 ML 3 LTR 3.5 LTR 5 LTR 7 LTR 7.5 LTR 10 LTR 15 LTR 50 LTR 55 LTR 210 LTR

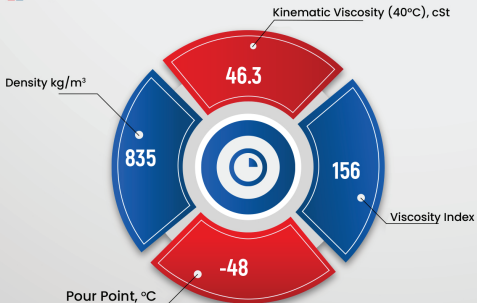

COOLANT

UNI-ADVANCED FORMULA

COOLANT

➤ Gars Coolant is a combination of three chemical components: Ethylene glycol (antifreeze), Inhibiting coolant additives, and Quality water. Gars Coolant is 100% concentrated product. It should be used in dilution ratio of 1:2 with water or as per vehicle manufacturer's recommendation.

➤ Coolant Features:

- Protect Radiators from Overheating and Rust
- Protects against Freeze-ups and Boil overs
- Protect all Metals against Rust & Corrosion
- High boiling point & low freezing point

➤ Available in below packing sizes.

3 LTR 3.5 LTR 4 LTR 4.5 LTR 5 LTR 7 LTR 10 LTR 15 LTR 20 LTR 26 LTR 50 LTR 55 LTR 210 LTR

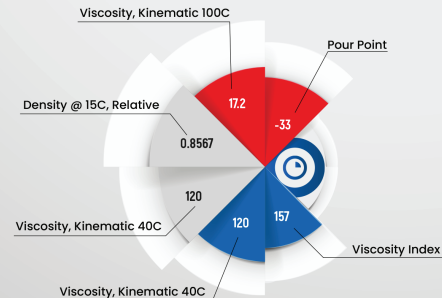

GEAR OIL

UNI-ADVANCED FORMULA

EP-90
GEAR OIL

➤ GARS EP 90 is an automatic gear oil specially designed by UNI-ADVANCE FORMULA for a front-drive vehicles with manual transmission. It is a versatile product with exceptional anti-wear, anti-oxidant, rust, and corrosion protection. It is recommended for manual transmissions and transaxles requiring oils meeting API GL-5. Gars Gear Oil EP90 Meets API GL-5 performance and meets SAE 90 viscometrics.

➤ **Gear Oil Features:**

- Anti-Wear additives to ensure smooth gear shift
- Provide anti-wear protection to all gear components
- Superior quality extreme pressure automotive gear lubricant.
- Provides excellent protection at high operating temperatures.

➤ Available in below packing sizes.

3 LTR 3.5 LTR 4 LTR 4.5 LTR 5 LTR 7 LTR 10 LTR 15 LTR 20 LTR 26 LTR 50 LTR 55 LTR 210 LTR

When Quality Matters...
